2022 Paris Peace Forum call for solutions

Application form

Thank you for your interest in the Paris Peace Forum call for solutions, which aims to promote and support **governance projects or initiatives that propose specific solutions to global challenges.**

Before submitting your application, make sure that your project meets all of the **eligibility criteria** listed in the Rules of the call for solutions (https://project.parispeaceforum.org/layouts/doc/Paris_Peace_Forum-Rules_of_the_2022_call_for_solutions.pdf), including with respect to priority themes.

Please also review:
• Information available on the Paris Peace Forum website (https://parispeaceforum.org/)
• Projects presented at the previous edition of the Forum (https://parispeaceforum.org/en/the-projects/)

The Selection Committee will assess the relevance of applications received based solely on the information below. We suggest taking care in filling out the form, making sure to provide accurate responses to the questions. You may save your responses and edit them until you submit the application. Only submitted forms with all mandatory fields duly completed will be assessed.

All indicated character limits include spaces. We recommend using short sentences or bullet points to ensure that your answers are clear and concise. Please read the entire questionnaire before starting your application to avoid duplicate responses.

⚠ **Please note that unless you regularly save your draft application (using the button at the bottom of the page), all information will be lost in case you get disconnected.**

Presentation of the solution content

What does your project and action consist of (main activities, objectives, approach) (max. 900 characters)? *

What stage have you reached in terms of project implementation? *

○ Inception stage (No resources mobilized yet, no implementation with tangible results)

○ Pilot phase (Tangible small-scale implementation aiming to test whether the solution is viable and can achieve desired results)

○ Growth phase (Implementation on a considerable scale, with results and impact, but with significant potential for growth remaining)

○ Stabilization or replication stage (Established project, implemented on a large scale, with sustainable resources)

What is your project's scale of implementation? *

○ Local (Sub-regions or limited areas including near borders)

○ National (State-wide)

○ Regional (Group of neighboring states or group of states from the same geographical region)

○ International (Across several states from different geographical regions)

○ Global (Universal or near-universal scale)

Please justify your choice of scale (max. 300 characters): *

What sets your project apart from similar initiatives? What makes your project unique and/or innovative? (max. 900 characters)? *

What results have you obtained to date? What is your desired long-term impact (scale of action, geographic area, lasting change, etc.)? (max. 900 characters) *

Who are the project's main partners, and what is their role (funding, implementation, etc.)? (max. 900 characters) *

What level of funding have you secured to date for the implementation of your project (signed contracts/funding received, in EUR)?

• Please write the amount in euros

• This value must be a number only
